Roblox is basically a game engine, allowing you to design and develop your own games in real time. A unique feature of Robux is that it's highly customizable, letting you manipulate all the elements of the game from a single point of view, with a wide range of effects, sounds, images, menus, and tools. You can create a fully operational game from nothing more than just a script and an image of your choice. Robux comes with a large variety of tools and features.

Combat periods are short, hectic, and a lot of fun. The game offers a nice balance between naval warfare and regular player-to-player brawls. It's also possible to exploit the physics engine in fun ways, like making your boat fly.
